ANGELA

NAME: Angela
LOCATION: Manchester

Angela and her husband Phil from Manchester are swingers but they are getting bored with fucking the same old couples. "It's so hard to know when you can approach a couple and ask them if they'd like to join our swinging sex parties. We've lost many good friends this way and become extremely close to others. But I'm starting to get a bit bored with fucking the same five guys, week after week. My husband and I want to inject some new blood in to our parties and we are hoping you might be able to help. All we need are a few couples with a keen interest is exploring sex with multiple partners. We are a bit old fashioned though – we still do the whole keys in a bowl thing. We also do group sex nights when we don't worry about going off to private rooms, we just fuck right there for anyone to watch. I've had up to 10 orgasms in one night before and I'm hoping to better that when we get some fresh cock in our group. We can't wait to hear from you!"

SAFFY

NAME: Saffy
LOCATION: Kent

Saffy has been modelling for years, but in case you're not familiar with this sexpot, we asked her to tell us a bit about herself. "Where do I start?" Saffy smiles. "I'm a complete slut, I loved being banged on camera and I'm totally into bondage. I'm known as the UK's top fetish princess! You should check out my website – you can see me bound and gagged, amongst other things!" We hope those other things include enjoying and taking cock, Saffy!

JANET

NAME: Janet
LOCATION: London

We'd like to offer a very warm welcome for the gorgeous Faye Reagan. Visiting our shores for the first time, the auburn American apparently likes us British men. "You guys are so cute!" She exclaims, "That accent? It does crazy things to me. A British boy doesn't even have to touch me to make my juices flow – all he has to do is whisper in my ear and I start gushing! He doesn't even have to talk dirty – he could be reciting the telephone directory for all I care!" Will the footie results do, Faye? If so, we've found the girl of our dreams...

JULIA

NAME: Julia
LOCATION: Essex

Julia's husband Keith is so proud of his wife he wants the world to see her. "I met Julia when we were both in our mid-twenties. She was beautiful and eager to please! I didn't realise how eager until our first sexual experience. It was November and freezing cold when I walked her home and she invited me in. The second we were through the door she pounced on me and began tugging on my clothes. The first thing that ran through my head was 'Hope my dick hasn't shrivelled up from the cold'. I'm not massive in that department and the cold never helps. She got down on her knees and said, 'I'm going to have to do this here, I can't wait any longer'. Before I knew it my trousers were around my ankles and I was praying for more than three inches, as I was still soft. Then I heard 'Argh, look at the little thing!' My heart sank and I thought that would mean the end until I felt her lips around my bell end! She blew me so amazingly well that three minutes later the content of my ball sack was in her mouth and I watched her swallow hard. She looked up at me and said 'You may be small but that cock is mighty powerful!' She rocks my world!"

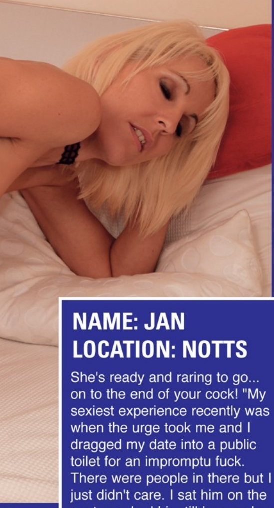
Tia

NAME: TIA
LOCATION: LONDON

We'd all like a secretary like this – if we could afford the inevitable tribunal. "I like being the centre of attention. You know that old trick where you bend down to pick up paperclips... I love doing that! I make sure the guys get a good eyeful of my sexy stockings. And it's pot luck if I'm wearing any knickers! I dare them to find out!"

Jan



NAME: JAN
LOCATION: NOTTS

She's ready and raring to go... on to the end of your cock! "My sexiest experience recently was when the urge took me and I dragged my date into a public toilet for an impromptu fuck. There were people in there but I just didn't care. I sat him on the seat, wanked him till he was hard and then sat on his cock with my tits in his face. Then I fucked him hard. It was ace!"

LUCY

NAME: Lucy
LOCATION: Sussex

Pretty in pink, Lucy has the best body of anyone we've seen in a while. With those succulent pendulous tits, she actually makes our mouths water, simply by, erm, ahem, looking at her photos. Our snapper tried to make out that Lucy was as 'welcoming' as she looks in these pics, but somehow we don't believe he got the treatment he was looking for...

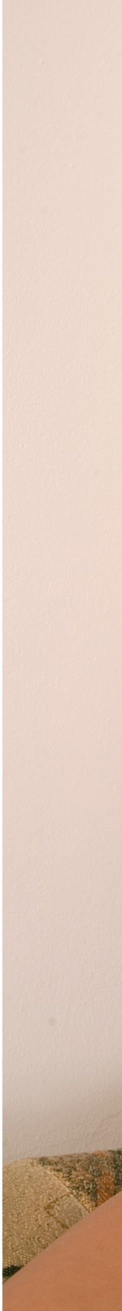
SARAH

NAME: Sarah
LOCATION: Basildon

Sarah Powell from Basildon has just finished her first porn movie, filmed in the USA, and we spoke to her about it.

“USA was amazing, I’m such a lucky girl; but it was hard on my boyfriend, who was back in Basildon with my three kids. I had two weeks of shooting different movies with girls and guys. It was quite daunting, but everyone was so nice to me. My first movie was a pretend-documentary about two guys driving around in a van and picking up girls to have sex with, and I was one of those girls. I had to hop in the back of the van – it was covered from floor to ceiling in carpet; a camera was fixed to the inside of the van as well. One guy drove around while we stripped and fucked each other. First I sucked him off and then he pulled my hot pants off, and tongued my shaved pussy. It got hot and sexy really quickly. I hadn’t had sex with another guy since being with my boyfriend, and it felt really naughty and dirty. Soon we were getting down to the hardcore stuff, but to my surprise he began to tie my wrists and legs down. He told me it was to stop me from moving around, whilst the van was still moving. Then the van came to a stop and the side door opened and five different guys climbed in. The guy I had sucked off gave me a wink, and soon the other guys had stripped and were lining up to fuck my tight pussy raw. I never came so much in my life, it was definitely a wild time!”



BEVERLY

NAME: Beverly
LOCATION: Sevenoaks

Beverly from Sevenoaks has discovered the join of swinging with her husband Ted. Beverly tells us, "When we found out our neighbours were swingers we were curious and aroused. Ted and I were childhood sweethearts and had never slept with anyone else. I had always wondered if I was missing out and when Ted took an interest in the neighbour's sexual activities I thought it was my chance to have sex with someone else without jeopardising my marriage. Ted was very up for it so I asked Julie, my neighbour, whether we could join her next party. The night arrived and I was so nervous and excited. My pussy had never been wetter. We did the traditional keys-in-a-bowl and I got a very hunky 28-year-old stud. He took me to Julie's bedroom and undressed me. I could feel my pussy pulsing and I couldn't wait another second to get that 10-inch rock hard cock inside me. I ripped his trousers off and pushed his throbbing penis inside me. It was amazing and I could help but scream at the top of my voice as I climaxed. Ted said he could hear me from downstairs. I had so much fun I might even hold my own party one day."

CAROL

NAME: Carol
LOCATION: Yorkshire

"My life has passed me by far too quickly, especially since my husband walked out on me for some blonde bimbo he met while on a lads holiday to Tenerife. He came home from his sunny break and told me moments after walking through the door that he was leaving me for younger and more attractive women. He even made some horrible comment about how she had large firm tits and a tight pussy! It's taken me quite a few years to get over it now and the new pills I'm on are working a treat. I think I've got a higher sex drive now than when I was a young woman! I'm also dressing sexier and I've even been whistled at when I go out in short skirts, which I would have been disgusted at a year or so ago. I haven't found a man yet, to service my horny needs, but I have invested in a small collection of sex toys to keep my urges in check and they're wonderful. My favourite is a device that has a large vibrating pink penis and either side of it there is a tongue, which flicks back and forth to stimulate my clitoris and a smaller vibrating penis for anal penetration! I would have never have dreamed of letting a man go anywhere near my brown hole but now I think I'd definitely like to try full on anal sex when I do find myself a man. I hope that asking them to stick their dick up my bum doesn't put them off having sex with me!"

"I enjoy having sex whenever I can – so you could say that my husband is a very lucky man, but I never knew that posing in front of a stranger while he took photos of me would be as much fun as fucking! My husband watched the whole thing from the wings and I could see that he was pretty excited by the whole thing too. We spent about an hour doing the photo shoot and when I was asked if I wanted to do a masturbation video I was really excited. I was told that they would need about 15 minutes to set everything up and that I could go and have a sit down with a drink, so I headed off to the kitchen. Moments after entering the kitchen the door slammed behind me and my husband was standing there with his cock hanging out of his trousers. He told me to walk over to the kitchen table and bend over it. He lifted up my denim skirt, pulled my knickers down to my knees and parted my butt cheeks with his hands so that he could see my fanny in its full glory. Without muttering a word he placed himself at the opening of my hole and slammed his cock in to me as hard as he could. Never in the whole 15 years that we had been married had he been so assertive – he was like a dog on heat pounding away at me from behind. A few moments later he was finished and again without muttering a word he pulled my skirt back over my bum and walked out of the room. During my masturbation video I spent the whole time picturing my husband's cock disappearing in and out of my fanny and it wasn't long before I was having an orgasm of my own and coming all over the place!"

MARIA

Name: Maria
Location: Essex

We don't need to state the obvious and tell you that Maria, here, is fit as fuck. With her ample bosom, long tanned legs and butt that's crying out to banged, we could stare at photos of her all day. Plus, we've always found long brown hair as sexy as hell. All we can think of is bending her over, taking her from behind and grabbing a handful of those luscious locks. Did we say all we can think about? Getting a tit-wank may have crossed our minds, too. Oh, and if we're honest we just may have considered those juicy lips wrapped around our man-meat. Just in passing, of course!
